WHAT IS REJOICING SPIRITS?

Rejoicing Spirits is an inclusive ministry which reaches out to enrich the spiritual lives of individuals with developmental disabilities along with their families, friends and the local supportive community. This is done by offering a meaningful, adapted Christian worship service and fellowship time. Rejoicing Spirits is making a difference!

Rejoicing Spirits can help fill the spiritual needs of individuals in one of three ways:

- Serves as a *stepping stone* for those wanting to take the first step into a faith community.
- Offers *complementary* worship & fellowship opportunities for those who already belong to a faith community.
- Provides an inclusive faith community that may *fully* meet their needs.

Please join us at New Hanover Lutheran Church on Sunday, Jan. 16th at 2:30 pm for our Rejoicing Spirits interdenominational worship & fellowship ministry. Rejoicing Spirits is spreading God's love to our brothers and sisters with developmental disabilities. We've created an inclusive, accepting and meaningful worship service adapted to capture the attention of individuals with special needs, along with their families, friends and other supportive community members. ALL children of God are welcomed and invited to become a part of our faith community.

So many reasons to come!

- Lots of music & joyous singing
- Brief, meaningful messages
- Love-filled community
- Fellowship opportunities
- Opportunities to serve
- Wheelchair accessibility
- Light refreshments
- Everyone in the community is welcome
- ALL FAITHS WELCOME
